

**Assumption Church**  
**The changes in the parts of the people in the Order of the Mass.**

**The Conclusion**

**In the previous weeks we have gone over all the changes of the wording of the parts of the Mass that we, the people, say at every Mass.**

**As you can see the changes aren't that confusing or hard to get used to. Some of the wording of our Mass prayers have changed, the words of the priest have changed as well as the Mass parts that are sung.**

**The reason behind the new interpretation is to give the Mass a closer literal translation to the original Latin text.**

**On the back of this sheet is a summary description of the Concluding Rites noting the action we should take when we leave the church.**

**We will begin using the changes on the first Sunday of Advent, November 27, 2011.**
